Click [HERE](#) to listen to us sing!

Formed in April 2004, **The Honeymooners** is a mixed quartet from the Upper Valley area of Vermont and New Hampshire. Composed of two married couples, **The HM** enjoy performing a wide variety of a cappella music, and interacting with the audience is always the main goal. Doo-wop, barbershop, gospel and novelty songs... lots of humor and some choreography, for good measure... audiences always want more! You never really know what their next song might be, but when you hear it, you may be tempted to sing along.

With hundreds performances to their credit, The Honeymooners have sung in venues as far away as Salt Lake City, Kansas City, Montreal, Indianapolis and Nashville. At barbershop chapter shows, colleges, youth festivals, state fairs, senior communities and private and corporate parties, it's clear that they truly love a crowd. Their performances are energetic and engaging.

What our audiences are saying about us:

"Terrific, wonderful, sooo good, a nice touch"

"You have so much energy and you're so entertaining!"

"I was entirely correct in feeling you were the right kind of entertainment for this group."

"I loved your show; I got goose bumps all over."

"Do you guys have a CD? I would love to take you home with me."

The Hendersons hail from Norwich, Vermont:

Lisa (Lead) is the brand new Director of manufacturing for King Arthur Flour. Although The Honeymooners is Lisa's first and only quartet, she has quickly become one of the most recognized leads in the Northeast. She is also the quartet's business manager. Well known in the Upper Valley for her back-stage prowess in stage-managing BBS and a cappella shows at Lebanon Opera House, she helps to manage the Opera House itself, serving as VP on the Board.

Chris (Bass) is a Dartmouth College pharmacist by day and a barbershop-aholic by night. Chris sings bass for the 2006 Granite and Pine Division novice quartet champion, Custom Blend. Chris is also the bass section leader for the North Country Chordsmen. His other passions include technology (nice website, Chris!), keeping track of his son, Reid, (who's in college in Scotland) and off-roading in his Jeep Wrangler. Lisa just wishes it didn't cost so much money for "just one more upgrade!"

The Signors reside in Grantham, New Hampshire:

Gaye (Tenor) is the Vice President for Development and Community Relations for the Visiting Nurse Association and Hospice of VT and NH. Gaye is well known for her ability to switch parts in barbershop - she sang bass in the 2006 Harmony Inc. Area 2 novice champion quartet, Lovely (with her daughter, Alexa, and two other high school girls) as well as lead and baritone in a family quartet, Family Feud. Gaye is also president of the Lebanon Opera House board of directors and frequent MC for BBS and a cappella shows (with her stage-manager buddy, Lisa.)

Dan (Baritone) is the choral music director at Lebanon (NH) High and Junior High Schools, where he is proud of his outstanding ensembles. Dan sang lead in the 2001 NED Quartet Champion Overdrive and he also directed the North Country Chordsmen to the NED Small Chorus Championship in 2003. A vocal coach and former singing judge, he sings lead in his men's barbershop quartet, Rat Race. With a little help from Gaye, Dan also directs a multi-generational community a cappella chorus called Harmony Night.

The HM have dedicated themselves to sharing their hobby, and making every day a musical party with family and friends.

We would love to perform for you!
